**FAQs**

**What's a Routing Number?** A routing number is the nine-digit number banks use to transfer money. It can be found in the lower left hand side of your checks.

**What are Automatic Deposits?** Automatic deposits are recurring, automatic deposits into your account and can include dividend payments or alimony.

**What are Automatic Deductions?** Automatic deductions are recurring payments made from your account and can include insurance premiums, mortgage payments, or monthly membership fees.
